Matthew, Thank you for returning my call.

As per our conversation, attached is the 4-page Multistate Comment letter, and the Cornell Report attachment to the 4-page letter as two separate files. Thank you for posting this material so that the 4-page Multistate Comment letter is publicly available. We understand that the Cornell report is copyrighted and access will be restricted on the docket.

Thank you for also adding a description in the "Comment" section of each docket filing, e.g.:

This is an addendum to comments submitted by Massachusetts Assistant Attorney General I. Andrew Goldberg on behalf of the Attorneys General of Massachusetts, New York, Hawaii, Illinois, Maryland, Minnesota, Oregon, Washington, and the District of Columbia on EPA's Proposed Interim Registration Review Decisions for the Neonicotinoid Pesticides Imidacloprid, Clothianidin, Dinotefuran, Thiamethoxam, and Acetamiprid.

Thank you for your attention to this matter.

Best regards,  
Jen
